The Bhagwan Sudvidhinath Endowed Chair will teach and develop new and existing undergraduate level courses in Jain Studies which promotes the study, traditions and research of the Jain religion. The Chair will foster the future of the Jain Religion at CSULB and establish a unique lens through which to view some of the world's most pressing challenges and opportunities.

The endowed fund, focused on Jain culture and history, will support research, teaching, and programmatic activities of an appointed faculty member in the Department of Religious Studies in the College of Liberal Arts at California State University, Long Beach.
